

SASH GAZETTE

Single Action Shootists Hawaii

Wyatt Wee Wins the West!

**and sends Buck n' Muerte
packin' for 2nd and 3rd...**

The start of the Hawaiian summer brought out some new posse members, some guest shooters and even an 'ol' familiar face...

We had 3 new members join up - Charlie "Stone Deaf" Maurer, Paul "Carrot Bend" Currivan & son, Andy "Diablo Blanco" Currivan signed on the dotted line (see their pics on the next page). Burton Hooker came by to shoot with the gang again, and a few new faces - Kanoa Snowden and Edward Hampton took their shot at single-action shooting. And our friend Jose "Pistolero" Reyes' ship came into port, so he decided to pop on by the range and visit with us!

For those of you who have been shootin' with us for a while, you've probably noticed a big difference in how quickly we are running our stages. Thanks to Muerte and his popper rigs n' rope, our overall match time has been sped up by about an hour and a half! With the summer heat coming along, this is definitely a welcomed relief, as we won't be in the hot sun for too long!

Thanks to all that came out and helped with the storage area clean-up! This definitely helps us keep our relations with the Koko Head Range Officer (Mike Muramoto) and HPD (or storage buddies) in good standing!

Alex Wang, son of El Muerte, takes aim with his .410 while our smartly dressed Match Director, John "Blackjack Derringer" Brassell, RO's the stage.

We also need to get the targets organized because we have a bunch of new ones coming in - hopefully in the next month or so! We'll be getting new gong-type swinging targets, as well as some self-setting ones, and a handful of plates too! We should be breakin' in these new targets in the latter half of the summer!

Ya'll need to get yer purty mugs onto the club's website! Please see Half Kocked at the next match to get yer picter-graph taken and we'll put it up on a wanted poster...err I mean gun club ROSTER! We also got a couple o' questions about your shady past if you want to get it published!!
