

SASH GAZETTE

Single Action Shootists Hawaii

Fun, Friendly & Free Field Day!

We had a great time shooting some interesting solo and team stages, brought to us, as always, from the mind of match director, Blackjack Derringer!

A total of 27 shooters came out for the pre-holiday shoot-off, with winds whipping cowboy hats everywhere! The club comp'ed match fees, as no points will be assessed for this...sorry guys! The stages were set as pistol, shotgun and rifle stages.

Stage 1 - the pistol, stage was an elimination round, pitting one posse member against the other - and included reloading the last bullet to drop the last popper! Winners from our 3 posses were: Hijo de Muerte (way to go Alex!), and a couple of other guys - Wiwaoka Pake and Homebrew! Great shooting guys!

Stage 2 was an all shotgun stage, done in 2-man teams. Fastest time recorded was by Team Andreshak - Half Kocked and Ms Fyre; 2nd by Blackjack Derringer and Sarsparilla; and 3rd by Burton and El Muerte!

Stage 3 was a test of speed, nerves, and how well you use your front sight! This rifle stage had teeny, tiny flipper targets that were actually hit by some people! Winners were: Hombrew, Singing Bear, and Cathouse Carlson!

Some new and not-so-new faces out and about were Jim Bannan, father of

Mike "Wyatt" Wee (far left) RO's the pistol shoot-out between guest shooter, Davin Woodruff (center) and Eric "Wiwaoka Pake" Ako (right) on Stage 1.

"Dusty Fred" Bannan, who tried his hand at S.A. shooting - and did quite well, I might add!

Not so new faces...well, our club treasurer, Karen "Kamuella Kowgirl" Rapoza FINALLY made it out to another match - we haven't seen her since April! She had lil' Cole in tow, who babysat dad - Phil "Branded Buck". Good job Cole - you kept your daddy busy so mommy could have a chance to have some fun!

What a great year 2005 has been! We've had to say aloha to a lot of members, but our club is continually growing. Thanks to all for making this year a fun and safe shooting year!

Happy New Year everybody!

NEW 2006 SASH SCHEDULE

January 29	July 24
February 26	August 27
March 26	Sept. 17
April 23	October 29
May 28	November 26

| 4) Fast Addie - WT | 14.34 |
| 5) El Muerte De Dolor - GF | 15.48 |

ANNUAL SASH MEETING + RAFFLE

Our annual Membership Meeting will be held on Saturday, January 14th, 2006 at 5:30 pm (til the cows come home). The dinner/raffle will once again be held at the home of El Muerte & Dreadnought Dolly (Jeff & Cesci Wang). Map and address to their home is located on the back of this page.

The affair will be a BYOB (water will be provided by the club), and potluck desserts. Dinner will be catered at a cost of \$7 per member (jr. members are free), and non-member guests are \$13/person. Any non-member buckeroos (13 and under) pay the member cost of \$7. We are also asking people to ante-up their dues for 2006 at this time, so don't forget yer checkbooks!

We are also holding our club board member elections on this night. The current board members have graciously agreed to stay on at their posts if no one else runs for their position, however, if you are interested in running for any of the positions (President, VP, Secretary/Webmaster, Treasurer, Match Director, Armorer), please let any of our current board members know. Also, if you would like to elect someone for a position, please be courteous by asking their permission first!

Don't miss out on the fun - family and friends are invited as well! You can wear your "Sunday Best" or be casual - just remember to bring a jacket or sweater - as it gets pretty chilly up there!

**RSVP by Jan 10th to Kevin or Shar @ 525-5217. Please leave a msg. with your name and # of attendees.
SEE YOU THERE!**

Two Thumbs Up! Mike "Mustang Sam" Cole had his thumb tended to by Lydia "Fast Addie" Belshe - and it looks like she did a fine job!

The Bannon Brothers! Well, okay - they're not brothers, but it was a better title. =) "Dusty Fred" Bannon (left) brought along his dad, Jim (right) for our December shoot - and he did purty well, I might add!

Nice Hat! No, Paul "Kid Limerick" MacKeeby didn't have a tooth ache, he just wanted to keep his hat from flying into the line of fire!
